He challenges us to recognise that we are called to share in God's mission to the world. Our task is to be witnesses to what we have experienced. While our experience is different to that of the first disciples, we have a story to tell – both the historical account of the death and resurrection of Jesus and our own experience of the risen Christ at work in our lives. And we have the encouragement that he is always with us – we don't have to do it in our own strength.</p> <p>Jesus said, 'I am the living one! I was dead, but now I am alive for ever and ever.'
